They intend to "continue". However, we have put in place the necessary documentation in case our role needs to change in the future (and if we are requested by WV). At this point, nothing has changed, and our OSC says everyone is still working hard on the ground. Thx

Did you mean they intended to "continue" or they intended to "discontinue"?

This just in - Freedom Industries informed WVDEP an hour ago that the facility had filed Chapter 11 Reorg. They indicated their intention to continue all cleanup efforts. State officials have been notified.
